**TOUCHSTONE HOME ANNOUNCES GRAND OPENING OF WATERMARK**  
*Beautiful Townhome Community In Gwinnett County Near The Mall Of Georgia*

ATLANTA – Touchstone Homes announces the Grand Opening of Watermark, a beautiful new townhome community located in Gwinnett County. This community boasts two-story, craftsman inspired townhomes. This 48-unit townhome community will feature a three bedroom two and a half bathroom plan and offer two-car garages. The Watermark townhomes offer many exceptional included features like 30” maple cabinets in the kitchen and double sink vanities in the master bath with cultured marble countertops and covered front porches.

Watermark is just down the street from the Mall of Georgia and convenient to many other shopping centers, restaurants, and entertainment. This community offers low maintenance living and is situated conveniently between both Interstate 85 and Interstate 985. Watermark’s Grand Opening pricing starts in the high \$100’s with presales starting now. “Watermark is a community where you can be close to everything but it is still tucked away in a nice quiet area where you can come home and relax,” said Bryan Cohen, President of Touchstone Homes.

Watermark is serviced by the Gwinnett County School District. These schools include Harmony Elementary, Glenn C. Jones Middle, and Mill Creek High. To visit Watermark from downtown, take I-85 north to exit 115 (highway 20) and go West on Highway 20. Turn right on Gravel Springs Road and then make a left on Cross Road. Watermark will be located on the right. For more information on Watermark contact Georgeanne Pardini at 678-643-6271.
